I have made sketches of the doors.

I am very interested in this subject.

Don't let it fly away.

Invasion of the welders.

Are they really reading?

Will your drawings make the art gallery?

Seems like almost everybody wants to come to MERCER.

LOCAL RESIDENTS get a whopping 35% savings! High school graduates from Bibb, Houston, Jones, Twiggs, Peach, Crawford and Monroe counties automatically qualify for Mercer's \$1503 a year tuition grant. Macon College graduates, Middle Georgia College graduates, and adults age 30 and over also qualify. We also offer Financial Aid and Academic Scholarships Packages.

PLUS STATE GRANT. Area high school graduates who are residents of the State of Georgia also receive a yearly \$900 grant for attending a private institution. In all, area students can attend Mercer for 35% less.

SAVE HUNDREDS MORE YEARLY. As a student living at home and commuting to Mercer, you save you and your family hundreds of dollars normally spent on long

distance travel, residence hall rent, cafeteria costs, and all the other "away-to-college" expenses.

DIVERSITY WITHOUT THE CROWD. Mercer University is one of the most diversified private Universities in the Southeast. Macon Campuses: • Liberal Arts • Business and Economics • Engineering • Law • Medicine.

CLASSROOM

ACTIVITIES

Eat a balanced meal.

Balloons for the fellows.

Cheeze! You are on Candid Camera.

There are roads that lead through valleys where the grass is soft
and green;

There are lanes that lead through morning where the friendly maples
lean;

But for those who face the battle where the far height holds its
thrill

The only goal worth finding
Where the rock-filled road is winding,
Where the heavy burden's binding
Is the goal upon a hill.

We may think of life as something that is built up from a dream;
We may hear old songs that call us where the shafts of morning stream;
But the storms beyond are waiting for the raw, unconquered will,
And though hearts and hopes are breaking
As we come to bitter waking
Yet the only road worth taking
Is the road that leads uphill
As we pass through MEMORY LANE.
